Except for a very small percentage of earth dwellers, everyone knows love is one of the most important elements known to the human experience. A large percentage of earth dwellers deeply believe love is the most important element of the human experience. And have you ever met a person who said they didn't want to love or to be loved? But in spite of this belief feature of the collective of mankind, antilove abounds throughout the entire world. Why is this? It's because mankind has failed to properly educate their children about the fundamental elements of love. And most people throw up their hands and whine: "What can I do about it? I'm only one person, and I lack the knowledge and the internal motivation to exercise and teach love's fundamental principles." You can either be a part of the solution or a part of the problem. And know this great truth. Apathy will not save you, but only true-love that dwells in the heart of person will give you the internal motivation needed to be a true, sincere and genuine lover (a TSG Lover). Everyone must choose either apathy or true-love. Choose wisely.

Be A Mighty And Noble Advocate Of Love

I've asked you several times in the process of this book for you to become an **Advocate of Love**, which I abbreviate as "**AoL**." What does it really mean to be an Advocate of Love, especially a Mighty and Noble Advocate of Love? The word "**advocate**" means: (1) to plead in favor of; support or urge by argument; recommend publicly; and (2) one who defends, vindicates, or espouses a cause by argument; upholder; defender. Here's my personal definition of an Advocate of Love.

Definition of an Advocate of Love

An Advocate of Love is a person who supports, recommends and urges their family, friends and acquaintances to: (1) pursue the truth about the principles of sentient-love, (2) exercise sentient-love, (3) quietly and graciously teach the principles of sentient-love, and (4) defend the principles of love as being the best Life-Principle and Life-Ideology by which a person can live their life.

It's actually a simple thing to be an AoL. Basically, you make the conscientious decision to live life by The Ideology of Love, and then you follow up on that decision by consistently exercising the fundamental principles of love. Thus, you become dedicated, devoted and committed to exercising the principles of love. In addition, you share the principles of love with other people, including family, friends and acquaintances. Upon gaining experience and confidence as an Advocate of Love, you'll find yourself sharing the principles of sentient-love with strangers. Lastly, you need to know there are two types of Advocates of Love. You'll have to make a decision which type of AoL you want to be. The two types of AoL are the Quiet Advocate of Love and the Vivacious Advocate of Love.

The Quiet Advocate of Love

The Quiet AoL is for the loving person who commits himself or herself to the quiet and inward practices of the fundamental principles of true-love. I designate this type of AoL as "**the Quiet Advocate**." Quiet Advocates exercise the principles of love to all persons they meet, but they especially exercise love principles with their family and friends. As a Quiet AoL, you actively talk about the principles of love with your close circle of family and friends. When you do this, you'll learn your love for them grows even stronger. Likewise, you'll learn their love for you also grows stronger. Thus, the bonds of love are reinforced, and they shall not break when the Winds of Fate blow trials and tribulations upon you and those you love. This shall be a magnificent blessing to you and those you love.

A Quiet Advocate will use every opportunity to express some little elements of love principles with strangers that are encounter every day. If the stranger is also an AoL, you may even remark to the person that they appear to be an AoL. If they are an AoL, then they'll probably smile with you and respond in a courteous and friendly manner. If they're not an AoL, then you'll have an opportunity to briefly mention to them The Ideology of Love, especially the elements of hope, faith, brotherly love, democracy and the great optimism of life. Let them also know about the freedom of the fear of death.

Now, here's the blessing a Quiet Advocate of Love obtains for his or hers efforts. You may be the loving person whose smile and kind words lead a stranger to a better life, a more satisfying life, and a more fulfilled life. If that should happen, then I bet they'll seek you out and thank you greatly for the quiet guidance you selflessly gave them. If this doesn't happen in this world, then I know it'll happen in the world-to-come.

The Vivacious Advocate of Love

The Vivacious AoL is for the loving person who commits himself or herself to the energized and outward practices of the fundamental principles of love. I designate this type of AoL as "**the Vivacious Advocate**." The Vivacious Advocate is a person who is a pupil of, and an adherent follower of, the fundamental principles of true-love, whereby the Vivacious AoL actively seeks to share and teach the principles of love to others. As defined by the definition of the word "vivacious," a Vivacious AoL is a lively, animated, enthusiastic and committed Advocate of Love. Now, the Vivacious Advocate does everything the Quiet Advocate does, but they also actively seek to teach the principles of love in an active manner. This is done in many ways, and whenever and wherever opportunity strikes. But this is best done in a well planned and methodical manner. Accordingly, the Vivacious AoL actively pursues to fulfill The Great Love Mission: "To every person in every nation, let us teach the principles of love."

The potential rewards of the Vivacious Advocate are beyond human perception. And who really knows what you can do as a Vivacious Advocate of Love? Maybe you'll be the Vivacious Advocate who takes a low income neighborhood that's riddled with violent crime, dope dealers, dope addicts, and prostitutes, and turns the neighborhood into a thriving and spiritually prosperous neighborhood – that is, a fantastic neighborhood where concern, care and compassion rule the hearts of all who dwell there. Now, there's a neighborhood that all citizens would be proud to grow up in. Would you please be my loving friend and neighbor? And the amazing truth is there are love-scorched and love-dried cities where one can find several neighborhoods that are a love-oasis. Love is like a cool, wet glass of water in the scorched and dry desert of despair. And as an Advocate of Love, you're the water bearer.

Start a Phileo Study Group

In the event you choose to be a Vivacious Advocate of Love, then your personal mission is to actively fulfill Love's Great Mission: "To every person in every nation, let us teach the principles of love." I personally believe the best way to accomplish this admirable mission is by having an informal and limited gathering of family and friends for the primary purpose of learning and sharing the principles of love. I call this a Phileo Study, for which the literal meaning is "the Study of Brotherly Love." Let us study together and learn the principles of love.

A Phileo Study Group should have at least six members, but no more than twelve members. The study group should meet once each week, on the same day and at the same time. Meeting consistency is critical for the success of the study. However, the group must also plan appropriate breaks from the weekly meetings. The group should choose the materials to be studied, and of course I recommend the group begin their study with this book. This obviously would be very rewarding to me on several levels. Needless to say, there are many good books on the subject of love. The group should select several books for study and be prepared to start the study of the next selected book. Include a variety of book subjects that are inspirational and enlightening to the soul. Such books can be fictional as well as nonfictional. Furthermore, the study group should mix things up such as watching a good, life affirming movie. Be sure to have a lively discussion concerning the love principles that are part of the movie.

Now, the continuous learning of the principles of love is fulfilling within itself, but a secondary advantage of a Phileo Study Group is derived from the close socialization with family and friends. Each study session should also include refreshments and time for individual interactions. At least one group session each month should include a pot luck dinner prior to the study session. You should also vary the home location where the study session occurs. When the group has finally completed the chosen study material, you will probably find the greatest enjoyment of the study was the socialization with your family and friends. Consequently, your bond of love shall continue to grow stronger with your family and friends. And here once again, the power and glory of love provides additional satisfaction and fulfillment in conjunction with the positive affirmation and ethereal blessings of this wonderful human experience.

Once a vivacious AoL has some experience with several Phileo Study Groups, then the AoL should start a Phileo Study Group with individuals who are outside one's immediate circle of family and friends. This would also be an excellent way of creating new friends. Places of Religious Assembly (churches, synagogues, mosques, and so forth) should also start Phileo Study Groups, both for their members and as an outreach program for their communities. I believe it would be wonderful if Vivacious Advocates would start and organize high school programs for Phileo Studies. Such Phileo Studies would be an after school activity and could even be called the Phileo Club. Furthermore, this type of activity would also be a study of many academic elements including government and civics, sociology, psychology, and theism. The heart of the program is to help these

highly impressionable teenagers make wiser life-choices and to help prepare them to become better citizens. Likewise, colleges and universities should offer special programs for Phileo Study Groups. And who really knows? Maybe high schools and colleges will even offer the study of love's elementary principles as a credited course. **America and all nations truly need dedicated educational courses that teach the fundamental principles of love.** Maybe then we'll have more buddies and less bullies.
