Love Is Never An Accidental Occurrence!

**Love is the result of a living process
associated with an inner personal choice.
Love requires birth, nurturing and instructions.
What comes first is a mysterious variable.**

**For some people love is born as a result
of the loving examples of parental nurturing.**

**For some other people love is
born as a result of intellectual instructions.**

**And then for some people love is born as a
result of an unknown source, a truly spiritual mystery.**

**But for all people who truly love, love is cultivated and
sustained as a result of an inner personal decision to love.**

**And that decision to love is delicately
intertwined with a deeply heartfelt willful desire to love.**

**Love is then actively nurtured by the daily
commitment, dedication and devotion to love.
Only in this manner is love always and forever.**

**What is love? How do you communicate love?
Let us stop and think, reflect and ponder in the
pursuit of a factual and meaningful answer.**

LOVE'S GREAT MISSION

**To every person in every nation, let us
teach the fundamental principles of love.**
